MALOUF FOUNDATION

We confront child sexual exploitation through education, healing, and justice.

Formalized in 2016 and operating out of Logan, Utah, the Malouf Foundation is a registered 501(c)3 nonprofit organization dedicated to confronting child sexual exploitation, specifically sex trafficking and online abuse. The Foundation fulfills its mission by providing education, promoting healing, and ensuring justice for survivors. Through Malouf™ and its charity network, the Malouf Foundation gives 100 percent of its resources to the people it serves.

Explore our initiatives below.

Education

ON WATCH

OnWatch™ is a survivor-led and informed training designed to empower people to spot, report, and prevent sex trafficking where they live, work, and play.

RAISE

The ***Raise™*** app will teach parents how to create safe online boundaries with their children through the expertise of law enforcement and family psychologists.

Healing

UTAH Trafficking Aftercare Center

The ***Utah Trafficking Aftercare Center*** will be the first long-term, residential, therapeutic facility in Utah to offer comprehensive treatment for child trafficking survivors.

ROOMS RESTORED

Rooms Restored™ is a bedroom makeover program for child abuse survivors. Its purpose is to eliminate the physical triggers of abuse and create a new space that supports the healing process.

Justice

FAMILY JUSTICE CENTER

The ***Family Justice Center*** is a national model for children's advocacy centers that helps families heal from abuse while ensuring more effective prosecution processes. The Malouf Foundation is currently developing facilities in Cache County, Utah and Muskingum County, Ohio.
